The plain walls of Bero Classroom of Ranchi district, Jharkhand got a makeover with a beautiful tree picture painted on the walls.

The students of Allahnagar school in Koppal, Karnataka got a great opportunity to connect with the students of a school in Manchester, U.K. It was truly an exchange of different cultures where the students played games and participated in a special cultural segment, reflecting their respective countries.

With the support of Eternus Solutions in Pune, a star gazing event at Khandala Centre was recently carried at the W. Z. P Prarthamik School in Khandala, Maharashtra. A volunteer team from Eternus, along with the Amateur Astronomy Club, visited the center with a telescope. The activity focused on teaching the students about the cosmos through practical observation and mapping. The students were awestruck with this star gazing excursion.

A visit to Giridih and Deoghar schools was successfully carried out to check the functioning of the centers in the respective cluster. In Giridih cluster, Jhalakdiha, Shitalpur, Udnabad and Koymara were visited. Students of Shitalpur organised a cultural programme, and a meeting with the CAs soon followed in the evening. In Deoghar, couple of schools were visited, and a workshop on 'Introduction to the Portal' was carried out for the wardens and the students of all the KGBV schools in Deoghar.

Wikividya

217 Content Volunteers actively participated and contributed to the Wikividya platform, where 4940 content has been created and uploaded.

The [Uttar Pradesh State Board](#) (UPMSP) has also been recently added to Wikividya.
